

Fixed Width Skyscraper Mounts™

Minimal Hardware - Emphasizing the Graphic

- Attractive oval aluminum uprights
- Heavy steel bases
- Portable, strong, lightweight
- All metal, extremely solid
- Sits flat on any surface

- Satin silver or matte black
- Simple 5 minute assembly
- View graphics from front and back
- Ships KD for fast, easy assembly
- For rigid graphics 1/2" thick

Constant Width Models

Graphics can be placed and set anywhere
along the uprights
using headless set screws

Substrate, environment, and other factors can
effect maximum appropriate height.
Test your media to ensure stability before use.
