

Halo Rails™

Available for Styrene Graphics or Hemmed Fabric Graphics

- Ships ready for very easy assembly
- Curved satin aluminum profiles handsomely house pole pocket graphics
- Fabric graphics hang via pole pockets and supplied plastic dowels top and bottom
- Harness sets enable hanging from a single point

- Styrene graphics hang from internal Plastic Screw Spacer Sets
- Quick graphic change-outs
- No costly vertical struts needed
- Strong, yet lightweight
- Eyebolts come already attached

Halo Rails™ are an innovative, aesthetically beautiful, yet economical solution for hanging curved graphics. A handsome curved satin finished aluminum profile houses the graphic top and bottom.

Halo Rails Freeforms

Simple curves or elaborate FreeForms are all possible. Price is a function of quantity. Our engineering and sales team can work with your designers and price accordingly. Minimum quantities & radius restrictions apply.
