

# Telescopic Clamp-On Table Top Header - COH Series

1. Attach the clamp-upright assembly to the table by tightening the knob on the clamp.
2. Remove the pre-mounted screw from the end of the crossbar, and attach the crossbar to one upright using the screw.
3. Slide graphic over crossbar.
4. Attach the free end of the crossbar to the second upright using the pre-mounted screw.
5. Detach one (1) pre-mounted snap-on clip to insert the lower crossbar through graphic, reattach the snap-on clip and snap the ends of the crossbars to the uprights.
